PER CURIAM:

Lee B. Phillips appeals the district court's order denying relief on his Bivens v. Six Unknown Federal Agents, 403 U.S. 388 (1971) action. We have reviewed the record and the district court's opinion and find no reversible error. Accordingly, we affirm on the reasoning of the district court. See Phillips v. Hawk-Sawyer, No. CA-99-236 (E.D. Va. Sept. 30, 1999). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
