PER CURIAM:

Richard Apongwa Chungong, a native of Cameroon, seeks review of the Board of Immigration Appeals' ("Board") decision to deny his motion to reopen his deportation proceedings for the purpose of applying for suspension of deportation and asylum. Our review of the record discloses that the Board properly denied Chungong's motion to reconsider and motion to reopen his deportation proceedings and that this appeal is without merit. Accordingly, we affirm on the reasoning of the Board. See In re: Richard Apongwa Chungong, No. A70-302-326 (BIA Oct. 18, 1999). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
