PER CURIAM:

Beverly F. Wideman appeals the district court's order granting summary judgment to Defendant on her claim of employment discrimination and retaliation based on race. We have reviewed the record and the district court's opinion adopting the magistrate judge's report and recommendation and find no reversible error. Accordingly, we affirm on the reasoning of the district court. Wideman v. South Carolina Dep't of Soc. Servs., No. CA-99-746-8 (D.S.C. Feb. 15, 2001). We grant Wideman's motion to waive oral argument because the facts and legal contentions are adequately presented in the materials before the court and argument would not aid the decisional process.
