About the job
The IT Administrator serves as the general network, desktop administrator and Microsoft Office 365 administrator for the court. The primary focus of the job is planning for and implementing highly complex information technology projects and troubleshooting complex hardware and software problems. The incumbent is responsible for recommending, planning, and installing new systems, products and applications.

The Fourth Circuit prides itself on being a collegial and collaborative organization as well as an overall exemplary place to work. The ideal candidate is capable of developing and managing IT initiatives for a variety of functions, has excellent interpersonal skills, has an outstanding work ethic, has unquestioned integrity, is attentive to details, and is committed to excellent customer service.

Overview of duties
- Analyze, isolate, and solve complex system problems.
- Recommend, install, configure and provide technical support for complex administrative operations specific to national applications, including developing new features.
- Perform routines and specialized technical support regarding the configuration, maintenance, and support of the court email and collaboration systems and applications.
- Perform routine and specialized support for installation and administration of local area network hardware, operating systems, and software. Perform advanced administrative support and troubleshooting of Microsoft Active Directory. Perform wireless and remote access support and troubleshooting.
- Prepare clear and effective written instructions as well as reports and memoranda for users and IT staff. Provide end-user support. Train users on different systems and programs.
- Perform other duties as assigned or necessary.

Salary ranges
- $52,975-$86,081 (CL-27) with promotion potential without further competition, or
- $63,476-$103,204 (CL-28), depending on experience and qualifications.
QUALIFICATIONS

Required Qualifications

- Two (2) years of full-time specialized experience. (Internal candidates: one year of experience must be equivalent to CL-25 or CL-27, respectively.)
- Knowledge of computer hardware, software, and networks.
- Knowledge of Microsoft 365 environment.
- Knowledge of theories, principles, practices and techniques of computer hardware and software applications.
- Must be an innovative and creative problem solver who can effectively work with management on projects and daily challenges.
- Exceptional ability to communicate technical concepts to non-technical staff.
- The incumbent must always manifest the highest degree of professionalism, courtesy, tact, and diplomacy; have excellent written, oral, and interpersonal skills; and unquestionable integrity.
- Ability to work independently and in a team environment as well as the ability to manage multiple projects and priorities within strict deadlines in a fast-paced environment.
- Work is performed in an office setting with occasional travel. Duties may require working outside of normal business hours. Physical effort may be involved in moving, connecting, or troubleshooting equipment.

Preferred Qualifications

- Bachelor’s degree in Computer Science or a related field.
- Experience with networking equipment including routers, switches, and wireless technologies (preferable Cisco).
- Experience with SharePoint Online Administration, Power Automate, and Power Apps.

APPLICATION PROCEDURE

Email (1) a cover letter detailing your qualifications and experience as they relate to the requirements of the position; (2) a resume that includes the name, title, and the contact information of three professional or personal references; and (3) an AO78–Application for Employment to the ACE for Human Resources at vacancy@ca4.uscourts.gov in a single PDF document. (The AO-78 is located at http://www.uscourts.gov/forms/human-resources-forms/application-judicial-branch-federal-employment.) Receipt of applications will be acknowledged. Following acknowledgment, only those selected for an interview will be contacted.

Please include the title of the position in the subject line of the email, and please note in the cover letter where on the Web you saw the announcement.

- **Mass transit subsidy** (budget dependent).

CONDITIONS OF EMPLOYMENT

Applicants must be citizens of the United States or meet requirements under current law. Federal judiciary employees serve under “Excepted Appointments,” and are thus “at-will,” and as such, can be terminated with or without cause. Employees are subject to the Judicial Code of Ethics and Conduct, which is available to applicants for review upon request. All applicant information is subject to verification. The appointment to the position is provisional pending a suitability determination by the Court based on the results of an FBI background investigation, which includes fingerprinting, that is updated every five years. Employees are required to use Electronic Funds Transfer (EFT) for payroll deposits. Reimbursement for interview-related travel expenses or any relocation costs incurred by the successful applicant is not provided.

The Court reserves the right to modify the conditions of this job announcement, to withdraw the job announcement, or to fill the position sooner than the closing date, if a closing date is shown; any of these actions may occur without any prior written or other type of notice.

The U.S. Court of Appeals for the Fourth Circuit is an Equal Opportunity Employer.
