PER CURIAM:

Charles Benzing appeals the district court's orders deeming Defendants' summary judgment motion timely filed and denying relief on Benzing's 42 U.S.C. § 1983 complaint. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *Benzing v. Treadway*, No. 3:17-cv-00619-KDB-DCK (W.D.N.C. May 6, 2020 & June 23, 2020). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
