Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Daryl Anthony Green appeals from the district court's order: (1) denying his motion for judicial notice; (2) denying his motion for appointment of counsel; and (3) denying his motion for reconsideration of the order dismissing his appeal from the bankruptcy court's order overruling his objection to the Creditor's proof of claim. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *Green v. Prince George's Cnty. Ofc. of Child Support*, No. 8:19-cv-02852-TDC (D. Md. Mar. 19, 2021). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
