PER CURIAM:

Amro Elsayed and Lola Salamah appeal several of the district court's orders entered in this action which alleged claims arising out of the termination of a franchise agreement. We have reviewed the record and find no reversible error. Accordingly, we affirm the district court's orders. *Elsayed v. Family Fare LLC*, No. 1:18-cv-01045-CCE-LPA, (M.D.N.C. Feb. 18, 2020; Aug. 10, 2020; Aug. 25, 2020; Feb. 9, 2021; June 4, 2021). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
