Petition denied by unpublished per curiam opinion.

Jamel C. Law, Petitioner Pro Se.

---

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Jamel C. Law petitions for a writ of mandamus, alleging that the district court has unduly delayed acting on his motion for compassionate release. He seeks an order from this court directing the district court to act. Our review of the district court's docket reveals that the district court denied his motion on December 4, 2020. Accordingly, because the district court has recently decided Law's case, we deny the mandamus petition as moot. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
