UNITED STATES COURT OF APPEALS
FOR THE FOURTH CIRCUIT

No. 21-7069

UNITED STATES OF AMERICA,

Plaintiff - Appellee,

v.

DERRON MCRAE SIMON,

Defendant - Appellant.

Appeal from the United States District Court for the Eastern District of Virginia, at Alexandria. Leonie M. Brinkema, District Judge. (1:14-cr-00300-LMB-1)

Submitted: December 21, 2021

Decided: December 27, 2021

Before KING and QUATTLEBAUM, Circuit Judges, and TRAXLER, Senior Circuit Judge.

Affirmed by unpublished per curiam opinion.

Derron McRae Simon, Appellant Pro Se.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Derron McRae Simon appeals the district court's order denying relief on his 18 U.S.C. § 3582(c)(2) motion for a sentence reduction. "We review a district court's decision [whether] to reduce a sentence under § 3582(c)(2) for abuse of discretion and its ruling as to the scope of its legal authority under § 3582(c)(2) de novo." *United States v. Mann*, 709 F.3d 301, 304 (4th Cir. 2013). Our review of the record reveals no error. The court clearly understood its authority to reduce Simon's sentence, but the court declined to grant a reduction based on its review of the 18 U.S.C. § 3553(a) factors.

Accordingly, we affirm the district court's order. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
