Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Daniel W. Jamison appeals the district court's orders granting summary judgment to the defendants on Jamison's 42 U.S.C. § 1983 complaint. We have reviewed the record and find no reversible error. Accordingly, we affirm the district court's judgment. *Jamison v. Kincaid*, No. 1:21-cv-01062-RDA-IDD (E.D. Va. Mar. 30, 2022). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
