PER CURIAM:

Rosie Hopkins appeals from the district court's order dismissing her amended civil action for failure to prosecute. We have reviewed the record and find no reversible error. Accordingly, we affirm the district court's order. *Hopkins v. North Carolina*, No. 4:21-cv-00087-FL (E.D.N.C. Sept. 13, 2023). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
