PER CURIAM:

Marvin Eduardo Luna Gomez appeals the district court's order granting summary judgment to Defendants in Gomez's 42 U.S.C. § 1983 action because Defendants demonstrated that Gomez failed to exhaust his administrative remedies. We have reviewed the record and conclude that the district court did not err in finding that Gomez failed to properly exhaust his administrative remedies, and that Gomez did not show that such remedies were unavailable to him. Accordingly, we affirm the district court's order. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
