Affirmed by unpublished per curiam opinion.

PER CURIAM:

Julian Terell Furr appeals the district court's order dismissing his 42 U.S.C. § 1983 complaint under 28 U.S.C. § 1915(e)(2)(B). We have reviewed the record and conclude that the district court appropriately determined that Furr's amended complaint failed to state a claim for relief against any of the Defendants. Accordingly, we affirm the district court's order. *Furr v. Chief of Selma Police Dep't*, No. 5:22-ct-03455-BO-RJ (E.D.N.C. June 1, 2023). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
