PER CURIAM:

Michael Kenny Carter appeals the district court's orders denying his postjudgment motions and his motions for reconsideration. We have reviewed the record and find no reversible error. Accordingly, we affirm the district court's orders. *United States v. Carter*, No. 3:17-cr-00351-JFA-1 (D.S.C. May 2, 2023, May 24, 2023, and July 28, 2023). Carter's motion titled as a writ and his motions for default, to expedite, for bail or release pending appeal, and to voluntarily dismiss his appeal without prejudice are denied. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
