Appeal from the United States District Court for the District of South Carolina, at Aiken. Richard Mark Gergel, District Judge. (1:25-cv-02769-RMG)

Submitted: August 20, 2026 Decided: August 25, 2026

Before AGEE and RUSHING, Circuit Judges, and TRAXLER, Senior Circuit Judge.

Affirmed by unpublished per curiam opinion.

Darrell Allen Findley, Appellant Pro Se.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Darrell Allen Findley appeals the district court's orders accepting the magistrate judge's recommendation and dismissing Findley's second amended 42 U.S.C. § 1983 complaint, and denying reconsideration. Findley has forfeited appellate review of several of the district court's dispositive bases for its disposition by failing to challenge them in his informal brief. *See* 4th Cir. R. 34(b); *Jackson v. Lightsey*, 775 F.3d 170, 177 (4th Cir. 2014) ("The informal brief is an important document; under Fourth Circuit rules, our review is limited to issues preserved in that brief."). Accordingly, we affirm. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
