UNPUBLISHED

UNITED STATES COURT OF APPEALS
FOR THE FOURTH CIRCUIT

No. 26-1314

ROBERT CALVIN CRAIG, JR.,

Plaintiff - Appellant,

v.

NOVANT HEALTH,

Defendant - Appellee.

Appeal from the United States District Court for the Middle District of North Carolina, at Greensboro. David A. Bragdon, District Judge. (1:25-cv-00122-DAB-LPA)

Submitted: August 27, 2026 Decided: August 31, 2026

Before KING, HEYTENS, and BENJAMIN, Circuit Judges.

Affirmed by unpublished per curiam opinion.

Robert Calvin Craig, Jr., Appellant Pro Se.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Robert Calvin Craig, Jr., appeals the district court's order accepting the magistrate judge's recommendation and dismissing Craig's complaint without prejudice for lack of subject matter jurisdiction under 28 U.S.C. § 1915(e)(2)(B). We conclude that the district court correctly determined that Craig's complaint failed to allege a basis for federal jurisdiction and that his proposed amendments did not cure the jurisdictional defects. Accordingly, we affirm the district court's order. *Craig v. Novant Health*, No. 1:25-cv-00122-DAB-LPA (M.D.N.C. Mar. 2, 2026). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
