UNPUBLISHED

UNITED STATES COURT OF APPEALS
FOR THE FOURTH CIRCUIT

No. 26-6486

CHRISTOPHER BETHEA,

Plaintiff - Appellant,

v.

DR. MULLINS, Institutional Doctor,

Defendant - Appellee.

Appeal from the United States District Court for the Western District of Virginia, at Roanoke. Elizabeth K. Dillon, Chief District Judge. (7:24-cv-00339-EKD-CKM)

Submitted: August 27, 2026 Decided: September 1, 2026

Before KING, HEYTENS, and BENJAMIN, Circuit Judges.

Affirmed by unpublished per curiam opinion.

Christopher Bethea, Appellant Pro Se.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Christopher Bethea appeals the district court's order granting Defendant's motion for summary judgment and dismissing without prejudice Bethea's 42 U.S.C. § 1983 complaint for failure to exhaust administrative remedies under the Prison Litigation Reform Act, 42 U.S.C. § 1997e(a). We have reviewed the record and find no reversible error in the district court's determination that Bethea failed to exhaust his administrative remedies. Accordingly, we affirm the district court's order. *Bethea v. Mullins*, No. 7:24-cv-00339-EKD-CKM (W.D. Va. Mar. 30, 2026). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
